Company Profile

- Founded by visionary entrepreneur **Muhammad Danish Ibn Sohail**, **DS Group** is a leading provider of innovative solutions in the fields of **hardware, kitchen, wardrobe, media wall, and construction of house 's**. Rooted in a legacy dating back to 1975, our company is built on the core values of excellence, creativity, and customer satisfaction.
- With a strong presence in the hardware industry for decades, we' ve grown into a diversified brand that brings quality and innovation together. Our extensive network includes **nationwide customers**, a testament to our reputation and commitment to excellence.

Our Departments:

DS Hardware

- Focused on delivering premium hardware solutions, this department caters to industries such as construction, furniture, and manufacturing. We offer a curated range of products including handles, knobs, hooks, and other essential accessories.

DS Ambience

- This department specializes in creating immersive living and working environments. From **hinges** to **kitchen and wardrobe accessories**, we transform everyday spaces into personalized lifestyle statements.

DS Render

- Combining technology with design, our rendering division provides high-quality **3D visualizations** and **architectural renders**, empowering professionals to showcase their concepts with precision and realism.

EXQUISITE AND EXQUISITE

DS crafts exquisite storage systems
To provide our customers with the most reliable hardware
