Company Profile

Founded by visionary entrepreneur **Mohammad Danish Ibn Sohail**, **DS Group** is a leading provider of innovative solutions across the hardware, kitchen, wardrobe, media wall, and residential construction sectors. The company is built on strong foundations of excellence, creativity, and customer satisfaction.

With decades of experience in the hardware industry, DS Group has evolved into a diversified brand that seamlessly integrates quality with innovation. Our extensive nationwide customer network reflects our strong market reputation and unwavering commitment to delivering superior products and services.

Our Companies:

DS Hardware

Premium hardware solutions for construction, furniture, and manufacturing, including high-quality handles, knobs, hooks, and essential accessories.

DS Ambience

Design-driven solutions for refined living and working spaces, offering hinges, kitchen, and wardrobe accessories that elevate everyday environments.

DS Render

High-quality 3D visualizations and architectural renders that bring concepts to life with clarity, precision, and realism.

DS Alvera

Soft Interior provides complete post-grey structure finishing, including doors, tiles, and all interior works. We turn structures into beautifully finished spaces with quality and precision.
