Company Profile

Founded by visionary entrepreneur **Muhammad Danish Ibn Sohail, DS Group** is a leading provider of innovative solutions in the fields of **hardware, kitchen, wardrobe, media wall, and construction of house's**. Rooted in a legacy dating back to , our company is built on the core values of excellence, creativity, and customer satisfaction.

With a strong presence in the hardware industry for decades, we' ve grown into a diversified brand that brings quality and innovation together. Our extensive network includes **nationwide customers**, a testament to our reputation and commitment to excellence.

Our Departments:

DS Hardware

Focused on delivering premium hardware solutions, this department caters to industries such as construction, furniture, and manufacturing. We offer a curated range of products including handles, knobs, hooks, and other essential accessories.

DS Ambience

This department specializes in creating immersive living and working environments. From **hinges** to **kitchen and wardrobe accessories**, we transform everyday spaces into personalized lifestyle statements.

DS Render

Combining technology with design, our rendering division provides high-quality **3D visualizations** and **architectural renders**, empowering professionals to showcase their concepts with precision and realism.
